

## Clarity in Uncertainty

### Key figures for the year

(compared to last year)

### COMMENTS ON THE YEAR ended 30 June 2021

#### Resilience and agility

As the whole world went into quasi lockdown, we managed to identify, source, and implement our #SafeShopping Protocol to provide our shoppers a safe shopping environment. The accolade received from the Safe Asset Group from Sweden as well as the footfall and trading densities of our Malls attests of its success. The result is a weighted average trading density for the year which is 8.6% above 2020 and only 4.4% down compared to FY 19. In turn, and added to the tenant relief plans, it significantly helped collections (115% of billing for the year) and led to few casualties as evidenced by a vacancy level of 2.7%.

Ascencia has achieved a commendable performance with a Net Operating Income of Rs 957m compared to Rs 954m last year. The Group closed the financial year with Profit After Tax of Rs 958m (FY 20: Rs 407m) including fair value gains of Rs 537m (FY 20: Rs 110m). This result is particularly satisfactory as the Group has provided financial support to the tune of Rs 300m over the last 15 months to its tenants.

#### Walking the talk

The Group completed the bond raising of Rs 1.5bn in December 2020 to support its growth strategy. Decathlon opened in May 2021 and the Bagatelle Extension in July 2021.

#### Staying true to shaping singular places

Since July 2021,

- The Company has migrated its listing from the DEM to the Official Market and is also a constituent of the SEMSI, the SEM's Sustainability Index. These initiatives are expected to contribute to enhance the share liquidity and benefit investors attributing property exposure to their investment portfolio.
- An agreement with Metro Express Ltd was signed for the development of a Metro Station in Phoenix Mall. The station, together with a new bus station, will be fully integrated in the mall and should be operational during the second half of calendar year 2022.
- At So'Flo we have completed works at the entrance to improve shoppers' comfort and welcomed KFC.
- At Bo'Valon Mall, we have started works to build a drive thru for Mc Donald. The drive thru will open during Q3 FY 22.
- Ascencia launched its new digital operations platform, Infraspark, in August 2021.

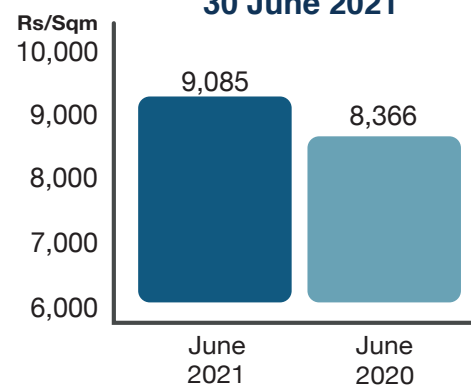

Moreover, Ascencia intends to complete the full acquisition of Bo'Valon Mall and complete several sustainability-linked projects such as a Biogas Pilot Station, a Wastewater Treatment Plant, the replacement of our HVAC system and B-Local initiative. Moreover, Phoenix Mall will apply for LEED Certification. Cash flow management is critical especially in the present economic context of reduced consumption and inflationary pressures. As such, Ascencia will focus on a tight cash flow management approach, restructuring its debt portfolio and preserving appropriate gearing levels in the forthcoming financial year.
